*November 7, 2014*

**Farmingville, NY** - Councilwoman Jane Bonner and the Town of Brookhaven will sponsor a Residential Paper Shredding event this Saturday from 9:00 am to 11:00 am at the Rose Caracappa Center, located at 739 Route 25A in Mt. Sinai. At the event, residents can drop off old paper documents which will be dumped into a 65-gallon container and then into the shredder, enabling each participant to witness the secure destruction of sensitive papers. Paper can be brought in boxes or bags. Documents can remain stapled together, but paper clips and other metal must be removed along with any other contaminants such as rubber bands.

"Our paper shredding event has become so popular that residents requested that I schedule another one in my district," said Councilwoman Bonner. "This is a good time of year to clean out your drawers and file cabinets and get rid of all the old documents that are just taking up space. It's also a great way to protect the environment."
